**Session Times 3:30-5:00pm**

**Sign-Up is REQUIRED to attend the sessions.**

*Sign-Up and permission slips will be outside Mrs. Leon's office. All students must have a permission slip in order to attend the session.*

**How long are the sessions?**

*The session is from 3:30-5pm.*

**Can students attend if they do not have any homework?**

*Students should attend if they have assignments to work on that will take them a majority of the session time to complete. If a student has a limited amount of work to complete and no intention on working on a project or studying for the remainder of the time, they should not attend.*

**What is the environment like?**

*Students are expected to work quietly. If they are working with a group, they should use table voices to eliminate distracting other students working. Again, this is an independent session, so students are expected to behave accordingly.*

**Are students allowed to bring headphones?**

*Yes. Some students enjoy listening to music while they work.*

**Are phones allowed to be used?**

*Phones are only allowed if students are listening to music. If a student is constantly looking at their phone or on social media, they will be asked to put the phone away.*

**Can students attend more than one session?**

*Yes. Sign-up is 1st come 1st serve.*

**Are study groups allowed to attend?**

*Please see Mrs. Leon regarding study groups for further instructions.*

**Do students have to bring their own supplies for projects?**

*Yes. Students are recommended to bring their own supplies. We do have crayons, markers, glue, pens, and pencils. If they need anything more than the basic supply, they will need to bring their own materials.*

**How many slots are available for student sign-up?**

*There will be 14 slots for each session. Students will need to sign-up at the latest the day before the session. Once slots are filled, the sign-up sheet will be removed.*

**How will students get home?**

*Students have two options for transportation. Students can ride the activity bus or be picked up in carpool. There are two activity buses, a northside and southside. The activity bus leaves campus around 5:15 pm. The bus **does not** do neighborhood stops. Students will be dropped off at a location close to their home and are able to walk, depending on the distance, or be picked up at those locations. Please review our Activity bus stop locations and arrange with your child what to do. Students can also be picked up in carpool. Carpool students will need to be picked up by 5:05pm. Students who are not picked up on time will have to ride the activity bus for further session.*

**If you have any questions that have not been answered, please contact Mrs. Leon.**
